Timeless Furniture
from Forever Forests...

MADE TO INSPIRE

Jensen Outdoor brings the highest-quality sustainable wood furniture, influenced by indoor design, to your outdoors.

Being 'Made to Inspire' drives us to source, design, and craft sustainable wood outdoor furniture that creatively use the world's best materials, in ways purpose-built to comfortably expand your home's footprint out of doors.

During our 'always on' design approach there is a collaborative process that connects our forestry operations in Bolivia, to our design teams in the United States and Europe. What excitingly new, yet pleasingly familiar, idea can we bring to the outdoor market that best accentuates the striking beauty of the sustainable materials we have to work with? Over the years we have innovated our designs and craftsmanship to meet with an ever-changing need while remaining, 'Made to Inspire'.

In the endless pursuit of our goal, it is imperative that we protect our forests using sustainable sourcing techniques ensuring the highest-quality natural materials are available for generations to come.

Our forests are living, breathing, places that inspire awe and require care. Our mission ensures their health for you, your children, and your children's children...

Jensen Outdoor maintains over 2 million FSC®-Certified acres of pristine dry-tropical forest in eastern Bolivia. Since 1995, we have been a sustainable leader in the outdoor furniture industry by receiving one of the first, and annually re-certified accreditations from the Forest Stewardship Council® (FSC®) for our small footprint harvesting techniques.

The gold standard in forestry certification, FSC® maintains strict environmental and social standards for responsible forest management and harvesting practices, only accrediting such organizations who share this dedication.

Today, the luxury wood furniture crafted by Jensen Outdoor exclusively features FSC®-Certified timbers. Ensuring every piece of our wood furniture directly preserves millions of acres of dry-tropical forests, along with the welfare of forest workers and their families, for generations to come.

Hlodver Olafsson
January 2023

THE TIMELESS BEAUTY OF TIMBER

Our need for nature is hard-wired.

Nature soothes and connects us to one another. Bring the outdoors home with the cozy feeling of durable heartwoods from forever forests.

Nature's wallpaper. When left outdoors, wood furniture will gracefully age to a silver-patina.

New Ipe

Weathered Ipe

New Teak

Weathered Teak

Ipe, pronounced 'EE-Pay', is a Bolivian hardwood prized for durability through density; taking over 100 years of slow growth to achieve maturity.

Ipe timber exhibits a deep chocolate-brown grain when new that may be allowed to naturally age to a silver patina or brought back to an 'as new' finish at any time with our Penofin® Verde stain.

Teak, sustainably farmed in Costa Rica, has high natural-oil content, withstanding outdoor weather conditions with superb stability.

Teak arrives naturally as a brilliant yellow wood and is sought after for the elegance of the soft silver-tone finish that it weathers to over time.

EDIO & PAOLO CIANI-SAN GIOVANNI DE NATISONE, ITALY

Awarded "Best of Show" for Design Excellence by the ICFA

TEMPO

IN MARINE-GRADE ULTRALEATHER

Jensen Outdoor is proud to introduce the award-winning Italian-designed, all-weather Tempo collection you can set and forget outside without the concern of moving your cushions whenever overcast skies turn to rain.

Offered in two welcoming colorways of Ultrafabrics® marine-grade animal-free leather, the frame is finely crafted from 100% FSC®-Certified Ipe timber.

The deep, chocolate-brown color of Ipe timber can be enjoyed for generations or allowed to transform with sun and time into a silver patina that highlights its natural beauty.

This collection embodies Italian elegance expressed in the soft curves of the seat being cradled by the firm lines of the Ipe wood frame. Additionally, the contrast-stitched seam adds a pop of interest to an already interesting collection.

SORRENTO

IN FSC®-CERTIFIED TEAK

Introducing a new spin on neoclassical with Sorrento dining and deep seating in FSC®-Certified teak.

Sorrento revives the timeless lines of the ancients with modern outdoor dining and deep seating. Scaled for king-size comfort the Sorrento dining chair is a reinterpretation of the ancient Greek "Klismos" chair favored by royalty for sumptuous events where elegance and comfort are required.

Rule the outdoors with the regal lines of Sorrento dining table. Note the quarter moon-shaped legs supporting the five single-piece wood table slats. Offered with sumptuous proportions of teak timbers this dining collection will dazzle guests for years to come.

Sorrento deep seating offers a modern take on sectional and traditional configurations with modular selections suited for your open air space.

SAVANNAH

IN FSC®-CERTIFIED TEAK

Jensen Outdoor is proud to introduce the craftsman Savannah deep seating and dining collection as a nod to modern Americana.

The seat frame is robustly crafted from 100% FSC®-Certified teak timber and the outdoor cushions are enveloped in your choice of Sunbrella® fabrics.

Savannah offers durable comfort with understated lines reminiscent of middle-America. Feel the construction techniques of the craftsman movement with a pyramidal crown atop the seat arm rests that connects directly to the front leg of the chair. Additionally, the under-arm post ties this timeless classic together.

COMES WITH FIRE TABLE LOGO COVER

New for 2023

GLOW FIRE TABLE

WOOD-LOOK UV PRINT CEMENT RESIN

The look of Ipe; In a fire table from Jensen Outdoor.

Introduced for 2023, the Glow Fire Table revolutionizes the Jensen Outdoor table line by pairing the trusted outdoor performance of a propane-powered 40,000 BTU stainless steel burner with the timeless elegance of deep chocolate-brown Ipe wood look finish to match any Jensen Outdoor Ipe wood collection.

The UV printed cement resin finish is as durable as it is beautiful. Specified to last as long as your Ipe wood furniture, the UV printing process ensures the fine graining of Ipe wood is replicated on the mantel and sides of your fire table.

Light up the night with your commercial-grade, 40,000 BTU, propane burner made of non-combustable 304 stainless steel. The deep gray stainless steel burner cover lifts away for easy storage within the fire table, revealing dazzling amber fire glass.

Comes with a light-gray heavy duty, waterproof all-weather cover with tasteful Jensen Outdoor logo to protect your fire table when not in use.

Meeting the rigorous safety requirements to be CSA® Design Certified, Glow is equipped with a standard thermocouple safety system and hidden accessible control panel with electronic ignition.

Traditional Ipe Design

OPAL

IN FSC®-CERTIFIED IPE

The jewel of Jensen Outdoor, Opal dazzles with beauty and comfort in any landscape.

The Opal collection features transitional styling masterfully applied to suit deep chocolate-brown Ipe hardwood paired with your choice of outdoor performance Sunbrella® fabrics. Opal's signature detail, an open "O" on the upper back of each seating frame, resembles the circular shape of the precious stone that shares its name.

Rain fabrics are waterproof.

Look for the  icon to see the fabrics available in Rain.

Sunbrella® Rain's quick-drying, protective barrier technology lets you get back to enjoying your outdoor furniture faster.

Sunbrella® Rain fabric repels water on the surface keeping it from passing through the fabric, ensuring cushion inserts stay dry.

CARE TIPS

For Jensen Outdoor Furniture

Follow these easy care tips to keep your furniture in tip-top shape all year long.

Wood

Ipe and Teak are natural materials that when left alone outdoors will weather to a graceful silver-tone finish. The look and feel of wood is a key appeal to owning natural outdoor wood furniture. To keep yours looking it's best consider these easy care tips:

1. Apply **Wood Shield** to protect against water and food stains, then enjoy your set for the season.
2. As spills, dirt, or dust occur wash with a soft towel and mild dish soap, then rinse clean with water.
3. Teak is meant to be enjoyed with a well-aged silver-patina, as needed repeat steps 1 and 2.
4. Ipe may also be enjoyed with a silver-patina or may be restored to it's 'as new' color by cleaning and applying **Penofin® Verde** as directed.

Cushions

Sunbrella® performance fabrics are made with 100% solution-dyed acrylic to stay color-fast year after year. To keep your cushions in tip-top shape:

1. Apply **Fabric Protector** to cushions to make them stain and mold repellent.
2. It's recommended to place your cushions in a dry, covered space when not in use.
3. As spills, dirt, or dust occur wash with a bristle brush and mild dish soap, then rinse clean with water.

Weave

Handwoven Viro® Fiber is made for outstanding durability. To maintain your woven surfaces:

1. To remove dust, simply clean with a bristle brush and lightly rinse with water as needed.

Never pressure wash your furniture as there is a high risk of damage to the finish. Always follow all directions as listed on the care supply packaging.
